Caratteristiche

- Struttura in ferro e legno
- Imbottitura in poliuretano espanso indeformabile a densità differenziata
- Meccanica 2 motori con funzioni Lift / Relax
- Tessuto di qualità con alta resistenza all'usura
- Roller di serie.

Roller di serie

Portata

Seduta in memory

Confort estremo con la seduta in memory che consente di ammortizzare i punti di pressione grazie alle sue proprietà automodellanti. Garantisce inoltre una migliore traspirabilità.

Cuscino lombare

Realizzabile nello stesso tessuto della poltrona scelta.

Poggiatesta

Realizzabile nello stesso tessuto della poltrona scelta.

Telo copripoltrona

Adatto ad ogni modello di poltrona. Lavabile.

Roller

4 ruote attivabili tramite una leva a pedale posizionata sul retro della poltrona consentono un agevole spostamento.

Bracciolo estraibile

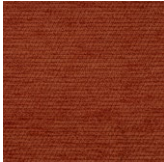

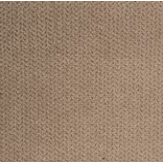

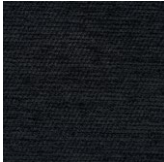

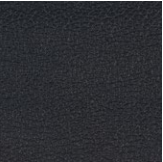

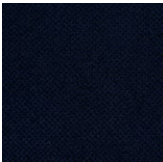

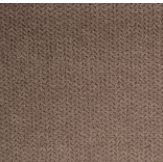

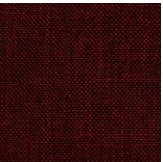

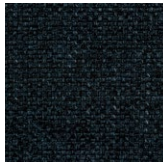

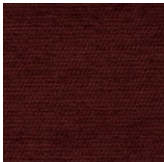

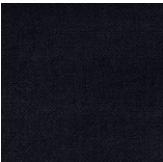

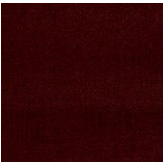

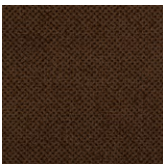

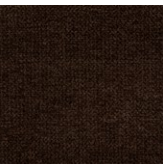

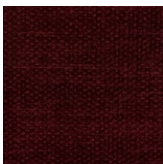

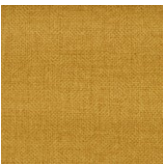

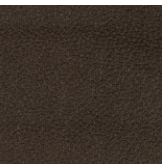

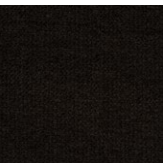

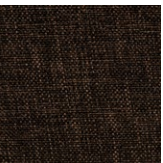

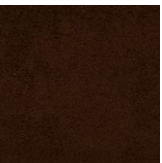

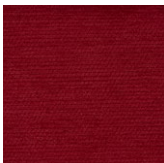

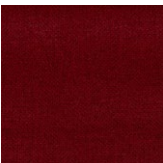

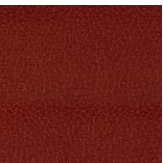

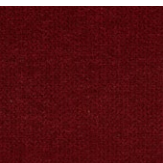

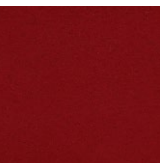

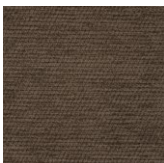

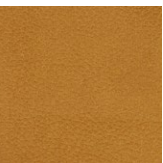

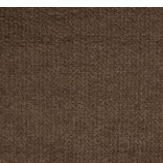

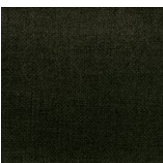

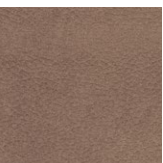

Disponibile solo sul modello M05.

Tavolino

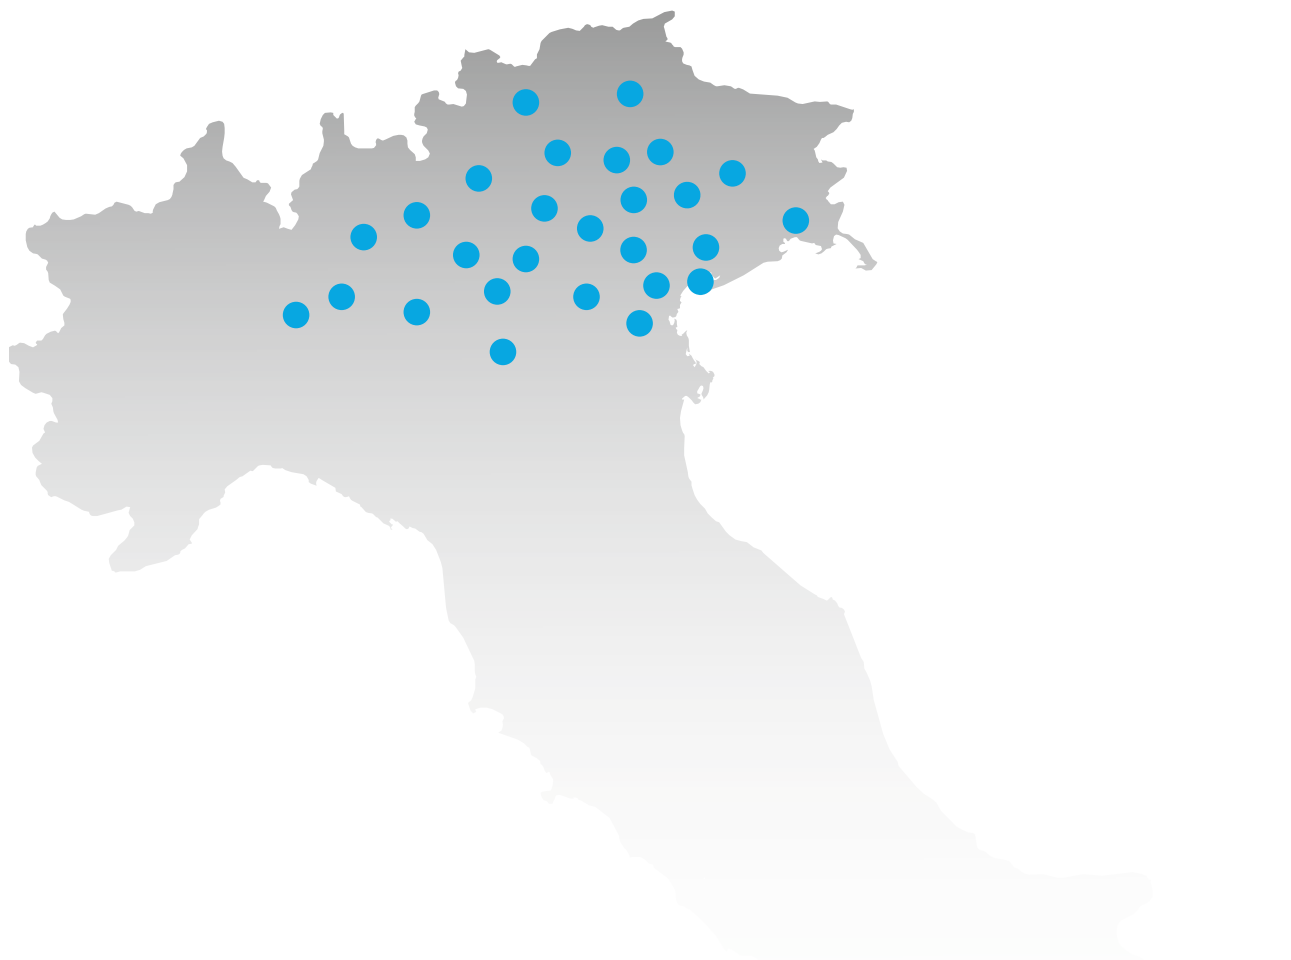

Disponibile solo sul modello M05.
